## INFORMATION ABOUT THIS PROXY STATEMENT

**Why you received this proxy statement.** You are viewing or have received these proxy materials because Medpace's Board is soliciting your proxy to vote your shares at the Annual Meeting. This proxy statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission ("SEC") and that is designed to assist you in voting your shares.

**Notice of Internet Availability of Proxy Materials.** As permitted by SEC rules, Medpace is making this proxy statement and its 2020 Annual Report available to its stockholders electronically via the Internet. On or about March 30, 2021, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials (the "Internet Notice") containing instructions on how to access this proxy statement and our 2020 Annual Report and vote online. If you received an Internet Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you specifically request them. Instead, the Internet Notice instructs you on how to access and review all of the important information contained in the proxy statement and 2020 Annual Report. The Internet Notice also instructs you on how you may submit your proxy over the Internet. If you received an Internet Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials contained on the Internet Notice.

**Printed Copies of Our Proxy Materials.** If you received printed copies of our proxy materials, then instructions regarding how you can vote are contained on the proxy card included in the materials.

**Householding.** The SEC's rules permit us to deliver a single Internet Notice or set of proxy materials to one address shared by two or more of our stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one Internet Notice or one set of proxy materials to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the Internet Notice or proxy materials, as requested, to any stockholder at the shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of the Internet Notice or proxy materials, contact Broadridge Financial Solutions, Inc. at (866) 540-7095 or in writing at Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717.

If you are currently a stockholder sharing an address with another stockholder and wish to receive only one copy of future Internet Notices or proxy materials for your household, please contact Broadridge at the above phone number or address.

## Questions and Answers about the 2021 Annual Meeting of Stockholders

### Who is entitled to vote at the Annual Meeting?

The Record Date for the Annual Meeting is March 18, 2021. You are entitled to vote at the Annual Meeting only if you were a stockholder of record at the close of business on that date, or if you hold a valid proxy for the Annual Meeting. Each outstanding share of Common Stock is entitled to one vote for all matters before the Annual Meeting. At the close of business on the Record Date, there were 36,001,980 shares of Common Stock outstanding and entitled to vote at the Annual Meeting.

### What is the difference between being a “record holder” and holding shares in “street name”?

A record holder holds shares in his or her name. That is, shares are registered in your name with our transfer agent. Shares held in “street name” means shares that are held in the name of a bank or broker on a person’s behalf.

### Am I entitled to vote if my shares are held in “street name”?

Yes. If your shares are held by a bank or a brokerage firm, you are considered the “beneficial owner” of those shares held in “street name.” If your shares are held in street name, these proxy materials are being provided to you by your bank or brokerage firm, along with a voting instruction card if you received printed copies of our proxy materials. As the beneficial owner, you have the right to direct your bank or brokerage firm how to vote your shares, and the bank or brokerage firm is required to vote your shares in accordance with your instructions. If your shares are held in street name, you may not vote your shares virtually at the Annual Meeting, unless you obtain a legal proxy from your bank or brokerage firm.

### How many shares must be present to hold the Annual Meeting?

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, virtually or by proxy, of the holders of a majority in voting power of the Common Stock issued and outstanding and entitled to vote on the Record Date will constitute a quorum.

### Who can attend the 2021 Annual Meeting of Stockholders?

We will be hosting the Annual Meeting live via the Internet. You will not be able to attend the Annual Meeting in person. Any stockholder can listen to and participate in the meeting live via the Internet at [www.virtualshareholdermeeting.com/MEDP2021](http://www.virtualshareholdermeeting.com/MEDP2021). The webcast will start at 9:00 a.m. Eastern Time. You will need the sixteen digit control number that is included in your Notice or your proxy card (if you received a printed copy of the proxy materials) to vote and submit questions while attending the meeting online. You may attend the Annual Meeting only if you are a Medpace stockholder who is entitled to vote at the Annual Meeting, or if you hold a valid proxy for the Annual Meeting.

### Why will I be able to attend the meeting virtually and not in person?

We are hosting a virtual meeting of shareholders because the virtual meeting format provides expanded access and improved communication between our shareholders and the Company. We see the virtual format as a way to drive more shareholders to attend and participate in the Annual Meeting because the virtual format allows shareholders, wherever they may be located, to attend the Annual Meeting. Mindful that our shareholders reside in locations throughout the United States and the world, we want to provide an opportunity to our shareholders to attend the Annual Meeting without incurring the expense or devoting the time to travel to a physical location. In other words, we believe that the virtual format not only enhances the access shareholders have in attending the Annual Meeting, but it also saves our shareholders the money and time travel can require.

We also believe that hosting a virtual meeting supports the health and well-being of our shareholders, employees and their families in light of the ongoing novel coronavirus (COVID-19) pandemic. We continue to actively monitor developments in relation to the COVID-19 pandemic and the related recommendations and protocols issued and that may be issued by public health authorities and governments. The health and well-being of our employees and shareholders is a high priority, and we are sensitive to the public health and travel concerns our shareholders may have.

**What if a quorum is not present at the Annual Meeting?**

If a quorum is not present at the scheduled time of the Annual Meeting, (i) the Chairperson of the Annual Meeting or (ii) a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present virtually or represented by proxy, may postpone or adjourn the Annual Meeting until a quorum is present or represented

**What does it mean if I receive more than one Internet Notice or more than one set of proxy materials?**

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, for each Internet Notice or set of proxy materials, please submit your proxy by phone, via the Internet, or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed postage-paid envelope.

**How do I vote?**

We recommend that stockholders vote by proxy even if they plan to virtually attend the Annual Meeting and vote virtually. If you are a stockholder of record, there are three ways to vote by proxy:

	By Telephone—You can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card
	By Internet—You can vote over the Internet at <a href="http://www.proxyvote.com">www.proxyvote.com</a> by following the instructions on the Internet Notice or proxy card
	By Mail—You can vote by mail by signing, dating and mailing the proxy card, which you may have received by mail.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 13, 2021.

If your shares are held in street name through a bank or broker, you will receive instructions on how to vote from the bank or broker. You must follow their instructions in order for your shares to be voted. Telephone and Internet voting also may be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you would like to vote your shares virtually at the Annual Meeting, you should contact your bank or broker to obtain a legal proxy.

**Can I change my vote after I submit my proxy?**

Yes.

If you are a record stockholder (i.e., your shares are registered in your name with our transfer agent), you may revoke your proxy and change your vote:

- by delivering to our Corporate Secretary a duly executed new proxy bearing a later date;
- by granting a subsequent proxy through the Internet or telephone;
- by delivering a revocation of the proxy to our Corporate Secretary prior to or when the vote is taken; or
- by voting virtually at the Annual Meeting.

Your most recent proxy card or telephone or Internet proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Corporate Secretary before your proxy is voted or you vote virtually at the Annual Meeting.

If your shares are held in street name (i.e., through a broker or bank), you may change or revoke your voting instructions by following the specific directions provided to you by your bank or broker, or you may vote virtually at the Annual Meeting by obtaining a legal proxy from your bank or broker and submitting the legal proxy along with your ballot.

**Who will count the votes?**

A representative of Broadridge Financial Solutions, Inc., our inspector of election, will tabulate and certify the votes.

**What if I do not specify how my shares are to be voted?**

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board. The Board's recommendations are indicated on page 2 of this proxy statement, as well as with the description of each proposal in this proxy statement.

**Will any other business be conducted at the Annual Meeting?**

We know of no other business that will be presented at the Annual Meeting. If any other matter properly comes before the stockholders for a vote at the Annual Meeting, however, the proxy holders named on the Company's proxy card will vote your shares in accordance with their best judgment.

**How many votes are required for the approval of the proposals to be voted upon and how will abstentions and broker non-votes be treated?**

<b>Proposal</b>	<b>Votes required</b>	<b>Effect of Votes Withheld / Abstentions and Broker Non-Votes</b>
<b>Proposal 1:</b> Election of Directors	The plurality of the votes cast. This means that the two nominees receiving the highest number of affirmative "FOR" votes will be elected as Class II Directors.	Votes withheld and broker non-votes will have no effect.
<b>Proposal 2:</b> Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of the holders of a majority in voting power of the shares present and entitled to vote on the matter.	Abstentions will have the same effect as votes against. We do not expect any broker non-votes on this proposal.
<b>Proposal 3:</b> Approval, on an advisory basis, of the Compensation of our Named Executive Officers	The affirmative vote of a majority of the votes cast at the Annual Meeting by the holders of shares present and entitled to vote on the matter.	Abstentions and broker non-votes will not be counted as votes "for" or "against" this proposal.

**What is an abstention and how will votes withheld and abstentions be treated?**

A "vote withheld," in the case of the proposal regarding the election of a director, or an "abstention," in the case of the proposals regarding the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm and the advisory vote on the compensation of our named executive officers ("Say-on-Pay Vote"), represents a stockholder's affirmative choice to decline to vote on a proposal. Votes withheld and abstentions are counted as present and entitled to vote for purposes of determining a quorum. Votes withheld have no effect on the election of a director. Abstentions have the same effect as votes against the ratification of the appointment of Deloitte & Touche LLP. Abstentions and broker non-votes are not counted as votes "for" or "against" the Say-on-Pay Vote.

**What are broker non-votes and do they count for determining a quorum?**

Generally, broker non-votes occur when shares held by a broker in "street name" for a beneficial owner are not voted with respect to a particular proposal because the broker (1) has not received voting instructions from the beneficial owner and (2) lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a beneficial owner on routine matters, such as the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm, without instructions from the beneficial owner of those shares. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on non-routine matters, such as the election of a director or the Say-on-Pay Vote. Broker non-votes count for purposes of determining whether a quorum is present.

**Where can I find the voting results of the 2021 Annual Meeting of Stockholders?**

We plan to announce preliminary voting results at the Annual Meeting and we will report the final results in a Current Report on Form 8-K, which we intend to file with the SEC after the Annual Meeting.

## **PROPOSAL 1**

### **Election of Directors**

---

At the Annual Meeting, two (2) Class II Directors are to be elected to hold office until the Annual Meeting of Stockholders to be held in 2024 and until such director's successor is elected and qualified or until such director's earlier death, resignation or removal.

We currently have seven (7) directors on our Board, including two (2) Class II Directors. Our current Class II Directors are Fred B. Davenport, Jr., who has served on our Board since August 13, 2018, and Cornelius P. McCarthy III, who has served on our Board since August 13, 2018. The Board has nominated Fred B. Davenport, Jr. and Cornelius P. McCarthy III for election as Class II Directors at the Annual Meeting. Proxies cannot be voted for a greater number of persons than the number of nominees named in this proposal.

The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the two nominees receiving the highest number of affirmative "FOR" votes will be elected as Class II Directors. Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

As set forth in our Amended and Restated Certificate of Incorporation, the Board is currently divided into three classes with staggered, three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. The current class structure is as follows: Class I, whose current term expires at the 2023 Annual Meeting of Stockholders and whose subsequent term will expire at the 2026 Annual Meeting of Stockholders; Class II, whose current term expires at the 2021 Annual Meeting of Stockholders and whose new term will expire at the 2024 Annual Meeting of Stockholders; and Class III, whose current term expires at the 2022 Annual Meeting of Stockholders and whose subsequent term will expire at the 2025 Annual Meeting of Stockholders. The current Class I Directors are Brian T. Carley, Thomas C. King and Robert O. Kraft and the current Class III Directors are Ashley M. Keating and August J. Troendle.

There are no family relationships among any of our executive officers or directors. Our Chief Executive Officer and founder, August J. Troendle and our Executive Vice President of Operations, Susan E. Burwig, each of whom is a named executive officer, cohabitate. For information regarding each of their compensation arrangements, see "Executive Compensation."

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote the shares of Common Stock represented thereby for the election as Class II Directors the persons whose names and biographies appear below. All of the persons whose names and biographies appear below are currently serving as our directors. In the event any of the nominees should become unable to serve, or for good cause will not serve as a director, it is intended that votes will be cast for a substitute nominee designated by the Board or the Board may elect to reduce its size. The Board has no reason to believe that the nominees named below will be unable to serve if elected. Each of the nominees has consented to being named in this proxy statement and to serve if elected.

### **VOTE REQUIRED**

The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the two nominees receiving the highest number of affirmative "FOR" votes will be elected as Class II Directors. Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

The Board of Directors unanimously recommends a vote **FOR** the election of the following Class II Director nominees.

### NOMINEES FOR CLASS II DIRECTORS (TERMS TO EXPIRE AT THE 2024 ANNUAL MEETING)

The current members of the Board who are also nominees for election to the Board as Class II Directors are as follows:

Name	Age	Served as a Director Since	Position with Medpace
Fred B. Davenport, Jr.	69	2018	Lead Director
Cornelius P. McCarthy III	61	2018	Director

The principal occupations and business experience, for at least the past five years, of each Class II Director Nominee for election at the 2021 Annual Meeting are as follows:

#### Fred B. Davenport, Jr.

**Age:** 69

## PROPOSAL 2

### Ratification of Appointment of Independent Registered Public Accounting Firm

---

Our Audit Committee has appointed Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021. Deloitte & Touche LLP has served as our independent registered public accounting firm since 2002. Our Board has directed that this appointment be submitted to our stockholders for ratification. Although ratification of our appointment of Deloitte & Touche LLP is not required, we value the opinions of our stockholders and believe that stockholder ratification of our appointment is a good corporate governance practice.

Deloitte & Touche LLP also served as our independent registered public accounting firm for the fiscal year ended December 31, 2020. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors, providing audit and non-audit related services. A representative of Deloitte & Touche LLP is expected to virtually attend the Annual Meeting and to have an opportunity to make a statement and be available to respond to appropriate questions from stockholders.

In the event that the appointment of Deloitte & Touche LLP is not ratified by the stockholders, the Audit Committee will consider this fact when it appoints the independent auditors for the fiscal year ending December 31, 2022. Even if the appointment of Deloitte & Touche LLP is ratified, the Audit Committee retains the discretion to appoint a different independent auditor at any time if it determines that such a change is in the interests of the Company.

#### VOTE REQUIRED

This proposal requires the affirmative vote of the holders of a majority in voting power of the shares present and entitled to vote on the matter. Abstentions have the same effect as votes against the proposal. Because brokers have discretionary authority to vote on the ratification of the appointment of Deloitte & Touche LLP, we do not expect any broker non-votes in connection with this proposal.

The Board of Directors unanimously recommends a vote **FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

## Report of the Audit Committee of the Board of Directors

The Audit Committee has reviewed the Company's audited financial statements for the fiscal year ended December 31, 2020 and has discussed these financial statements with management and the Company's independent registered public accounting firm. The Audit Committee has also received from, and discussed with, the Company's independent registered public accounting firm various communications that such independent registered public accounting firm is required to provide to the Audit Committee, including the matters required to be discussed under applicable Public Company Accounting Oversight Board ("PCAOB") standards.

The Company's independent registered public accounting firm also provided the Audit Committee with a formal written statement required by applicable requirements of the PCAOB describing all relationships between the independent registered public accounting firm and the Company, including the disclosures required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. In addition, the Audit Committee discussed with the independent registered public accounting firm its independence from Medpace Holdings, Inc.

Based on its discussions with management and the independent registered public accounting firm, and its review of the representations and information provided by management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020.

## Independent Registered Public Accounting Firm Fees and Other Matters

The following table summarizes the fees of Deloitte & Touche LLP and its subsidiaries and affiliates, our independent registered public accounting firm, billed to us for each of the last two fiscal years for audit services and billed to us in each of the last two fiscal years for other services:

Fee Category	2020	2019
Audit Fees	\$1,001,000	\$1,097,000
Tax Fees	415,500	116,000
All Other Fees	2,000	4,000
Total Fees	<u>\$1,418,500</u>	<u>\$1,217,000</u>

“Audit Fees” consist of fees billed for the audit of our annual consolidated financial statements, the review of the interim consolidated financial statements, statutory audits of foreign subsidiaries, and consultation on accounting matters.

“Tax Fees” consist of professional services for tax consulting and tax compliance performed by Deloitte & Touche LLP and its subsidiaries and affiliates.

“All Other Fees” are comprised of fees for miscellaneous professional services.

### AUDIT COMMITTEE PRE-APPROVAL POLICY AND PROCEDURES

The Audit Committee has adopted a policy (the “Pre-Approval Policy”) which sets forth the procedures and conditions pursuant to which audit and non-audit services proposed to be performed by the independent auditor may be pre-approved. The Pre-Approval Policy generally provides that we will not engage Deloitte & Touche LLP and its subsidiaries and affiliates to render any audit, audit-related, tax or permissible non-audit service unless the service is either (i) explicitly approved by the Audit Committee (“specific pre-approval”) or (ii) entered into pursuant to the pre-approval policies and procedures described in the Pre-Approval Policy (“general pre-approval”). Unless a type of service to be provided by Deloitte & Touche LLP and its subsidiaries and affiliates has received general pre-approval under the Pre-Approval Policy, it requires specific pre-approval by the Audit Committee or by a designated member of the Audit Committee to whom the committee has delegated the authority to grant pre-approvals. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval. For both types of pre-approval, the Audit Committee will consider whether such services are consistent with the SEC’s rules on auditor independence. The Audit Committee will also consider whether the independent auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Company’s business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Company’s ability to manage or control risk or improve audit quality. All such factors will be considered as a whole, and no one factor should necessarily be determinative. On an annual basis, the Audit Committee reviews and generally pre-approves the services (and related fee levels or budgeted amounts) that may be provided by Deloitte & Touche LLP and its subsidiaries and affiliates without first obtaining specific pre-approval from the Audit Committee. The Audit Committee may revise the list of general pre-approved services from time to time, based on subsequent determinations.

## Corporate Governance

### GENERAL

Our Board has adopted Corporate Governance Guidelines, a Code of Business Conduct and Ethics and charters for our Audit Committee and Compensation Committee to assist the Board in the exercise of its responsibilities and to serve as a framework for the effective governance of the Company. You can access our current committee charters, our Corporate Governance Guidelines and our Code of Business Conduct and Ethics in the “Corporate Governance” section of the “Investors” page of our website located at [www.medpace.com](http://www.medpace.com), or by writing to our Corporate Secretary at our offices at 5375 Medpace Way, Cincinnati, Ohio 45227.

### BOARD COMPOSITION

Our Board currently consists of seven members: Brian T. Carley, Fred B. Davenport, Jr., Ashley M. Keating, Thomas C. King, Robert O. Kraft, Cornelius P. McCarthy III and August J. Troendle. As set forth in our Amended and Restated Certificate of Incorporation, the Board is currently divided into three classes with staggered, three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. Our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws provide that the authorized number of directors may be changed only by resolution of the Board. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of our Board into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control of our Company. Our directors may be removed only for cause, at a meeting called for that purpose.

### DIRECTOR INDEPENDENCE

All of our directors, other than August J. Troendle, qualify as “independent” in accordance with the listing requirements of the NASDAQ Global Select Market (“NASDAQ”). The NASDAQ independence definition includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his family members has engaged in various types of business dealings with us. In addition, as required by NASDAQ rules, our Board has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board reviewed and discussed information provided by the directors and us with regard to each director’s business and personal activities and relationships as they may relate to us and our management. Mr. Troendle is not independent because he is the President and Chief Executive Officer of Medpace.

### DIRECTOR CANDIDATES

Our Board does not have a standing nominating committee or a committee performing similar functions. Our Board believes it is appropriate not to have a nominating committee at this time because the full Board effectively performs the functions of a nominating committee, particularly with all but Mr. Troendle determined to be independent directors under the rules of NASDAQ. Additionally, our Board believes that input from all directors enhances our ability to identify, evaluate and select director nominees. Because we do not currently have a nominating committee, our independent directors select Board nominees in accordance with the rules of NASDAQ.

Our Board has adopted a resolution governing the director nomination process and related matters. To facilitate the search process, the Board may solicit current directors and executives of the Company for the names of potentially qualified candidates or ask directors and executives to pursue their own business contacts for the names of potentially qualified candidates. The Board may also consult with outside advisors or retain search firms to assist in the search for qualified candidates, or consider director candidates recommended by our stockholders. Once potential candidates are identified, the Board reviews the backgrounds of those candidates, evaluates candidates' independence from the Company and potential conflicts of interest and determines if candidates meet the qualifications desired by the Board of candidates for election as a director.

In evaluating the suitability of individual candidates, the Board may consider many factors, including: (i) minimum individual qualifications, including a high level of personal and professional integrity, strong ethics and values and the ability to make mature business judgments and (ii) all other factors it considers appropriate, which may include experience in corporate management, experience as a board member of other public companies, relevant professional or academic experience, leadership skills, financial and accounting background, executive compensation background, diversity and whether the candidate has the time required to fully participate as a director of the Company. While we do not have a policy mandating Board diversity with respect to personal characteristics, the Board includes gender, racial and ethnic diversity as part of its search criteria, consistent with the requirement for relevant and diverse experience, skills and industry familiarity. Our Corporate Governance Guidelines provide that the Board should monitor the mix of specific experience, qualifications and skills of its directors in order to assure that the Board, as a whole, has the necessary tools to perform its oversight function effectively in light of the Company's business and structure.

Stockholders may recommend individuals to the Board for consideration as potential director candidates by submitting the names of the recommended individuals, together with appropriate biographical information and background materials, to the Board of Directors, c/o Corporate Secretary, Medpace Holdings, Inc., 5375 Medpace Way, Cincinnati, Ohio 45227. In the event there is a vacancy, and assuming that appropriate biographical and background material has been provided on a timely basis, the Board will evaluate stockholder recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

### **COMMUNICATIONS FROM STOCKHOLDERS**

The Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our Corporate Secretary is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Corporate Secretary and Chairman of the Board consider to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications. Stockholders who wish to send communications on any topic to the Board should address such communications to the Board in writing: Board of Directors, c/o Corporate Secretary, Medpace Holdings, Inc., 5375 Medpace Way, Cincinnati, Ohio 45227.

## BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

Our Board exercises its discretion in combining or separating the roles of Chairman of the Board and Chief Executive Officer as it deems appropriate in light of prevailing circumstances. We believe that we, like many U.S. companies, are well-served by a flexible leadership structure. August J. Troendle, our President and Chief Executive Officer, serves as Chairman of the Board. Our Board has determined that combining the roles of Chairman of the Board and Chief Executive Officer is best for our Company and its stockholders at this time because it promotes unified leadership by Mr. Troendle and allows for a single, clear focus for management to execute the Company's strategy and business plans. Our Board is comprised of individuals with extensive experience in finance, the healthcare industry and public company management and, with the exception of Mr. Troendle, is comprised of directors who meet the independence standards of NASDAQ. For these reasons and because of the strong leadership of Mr. Troendle as Chairman of the Board and Chief Executive Officer, our Board has concluded that our current leadership structure is appropriate at this time. However, our Board will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

Our Corporate Governance Guidelines provide that, if the Company does not qualify as a "controlled company" within the meaning of the NASDAQ rules, whenever our Chairman of the Board is also our Chief Executive Officer or is a director that does not otherwise qualify as an independent director, the independent directors may elect a lead director whose responsibilities include, but are not limited to, presiding over all meetings of the Board at which the Chairman is not present, including any executive sessions of the independent directors; approving Board meeting schedules and contributing to meeting agendas; and acting as the liaison between the independent directors and the Chief Executive Officer and Chairman of the Board. The full list of responsibilities of our lead director may be found in our Corporate Governance Guidelines. In October 2018, the independent directors elected Fred B. Davenport, Jr. as lead director.

Risk assessment and oversight are an integral part of our governance and management processes. Our management is responsible for our day-to-day risk management activities. Our Board oversees the implementation of risk mitigation strategies by management and encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing us. Throughout the year, senior management reviews these risks with the Board at regular board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks. Our Board is apprised of particular risk management matters in connection with its general oversight and approval of corporate matters and significant transactions. Our Board administers this oversight function directly through the Board as a whole, as well as through various standing committees of the Board that address risks inherent in their respective areas of oversight. The Board does not believe that its role in the oversight of our risks affects the Board's leadership structure.

## PERIODIC BOARD EVALUATION

Our Corporate Governance Guidelines require the Board to oversee a periodic assessment of the Board and its committees.

## CODE OF ETHICS

We have a written Code of Business Conduct and Ethics (the "Code") that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. We have posted a current copy of the Code in the "Corporate Governance" section of the "Investors" page of our website located at [www.medpace.com](http://www.medpace.com). In addition, we intend to post on our website all disclosures that are required by law or the rules of NASDAQ concerning any amendments to, or waivers from, any provision of the Code.

### **ATTENDANCE BY MEMBERS OF THE BOARD OF DIRECTORS AT MEETINGS**

There were four (4) meetings of the Board during the fiscal year ended December 31, 2020. During the fiscal year ended December 31, 2020, all members of the Board of Directors attended all meetings of the Board and all meetings of the committees on which the director served. All of the directors attended the 2020 Annual Meeting.

Under our Corporate Governance Guidelines, which are available in the “Corporate Governance” section of the “Investors” page of our website located at [www.medpace.com](http://www.medpace.com), a director is expected to spend the time and effort necessary to properly discharge his or her responsibilities. Accordingly, a director is expected to regularly prepare for and attend meetings of the Board and all committees on which the director sits (including separate meetings of the Independent Directors), with the understanding that, on occasion, a director may be unable to attend a meeting. A director who is unable to attend a meeting of the Board or a committee of the Board is expected to notify the Chairman of the Board or the Chairman of the appropriate committee in advance of such meeting, and, whenever possible, participate in such meeting via teleconference in the case of an in-person meeting.

## Committees of the Board

Our Board has established two standing committees, Audit and Compensation, each of which operates under a written charter that has been approved by our Board. All of the members of each of the Board's two standing committees are independent as defined under the NASDAQ rules.

The current members of each of the Board committees and committee Chairs are set forth in the following chart.

### Compensation Discussion & Analysis

#### *Purpose*

The purpose of this Compensation Discussion and Analysis is to provide our stockholders with an understanding of our approach to executive compensation and to detail our decision-making processes for compensation to our NEOs for fiscal year 2020.

#### *Executive Summary*

We are one of the world’s leading clinical contract research organizations, or CROs, by revenue, focused on providing scientifically-driven outsourced clinical development services to biotechnology, pharmaceutical and medical device companies. The industry we operate in is highly competitive from a business and human resource perspective. Accordingly, our Compensation Committee believes that executive compensation should be tied strongly to Company and individual performance.

The Company has had exceptional total stockholder return performance since August 2016, which is when our common stock first began trading on the NASDAQ Global Select Market. The Company completed its initial public offering of its common stock at a price of \$23.00, and our common stock started trading on August 11, 2016 at \$28.15 per share. The closing price of our common stock on March 18, 2021 was \$160.95.

The Company provided financial guidance for fiscal year 2020 in February 2020. On March 11, 2020, the World Health Organization declared the coronavirus COVID-19 outbreak to be a pandemic. In April 2020, the Company withdrew the fiscal year 2020 financial guidance that it provided for revenue, EBITDA, GAAP net income and net income per diluted share (GAAP) and did not issue new guidance at that time. In July 2020, the Company provided new financial guidance for fiscal year 2020. The Company’s 2020 financial performance exceeded or met the guidance it provided in July 2020 with respect to several objectives described below.

#### 2020 Business and Financial Highlights

The Company exceeded the guidance it provided in July 2020 with respect to revenue, GAAP net income and diluted earnings per share (GAAP). The Company met the EBITDA guidance that it provided in July 2020.

- Revenue for the year ended December 31, 2020, increased 7.5% to \$925.9 million, compared to \$861.0 million for the year ended December 31, 2019. In July 2020, the Company forecasted 2020 revenue in the range of \$880.0 million to \$920.0 million.

## EXECUTIVE COMPENSATION

- GAAP net income for the full year 2020 was \$145.4 million, or \$3.84 per diluted share, versus GAAP net income of \$100.4 million, or \$2.67 per diluted share, for the full year 2019. In July 2020, the Company forecasted GAAP net income for full year 2020 in the range of \$136.0 million to \$144.0 million and forecasted diluted earnings per share (GAAP) in the range of \$3.62 to \$3.83.
- EBITDA for the full year 2020 increased 25.5% to \$187.8 million, or 20.3% of revenue compared to \$149.6 million, or 17.4% of revenue for the prior year. In July 2020, the Company forecasted full year 2020 EBITDA in the range of \$180.0 million to \$190.0 million.

EBITDA is a non-GAAP financial measure used to supplement our financial statements, which are based on U.S. Generally Accepted Accounting Principles ("GAAP"). For a definition and discussion of this measure, see "Definition of Non-GAAP Financial Measure" on page 31.

### Key Compensation Actions for 2020

We took the following actions related to executive compensation for 2020 performance:

<b>Compensation Area</b>	<b>Highlights</b>
Cash Compensation	<ul style="list-style-type: none"><li>Approved base salary increases for our NEOs to close competitive gaps to market and/or recognize individual performance and contributions</li><li>Affirmed the corporate incentive goals</li><li>Paid bonuses to our NEOs at a level that reflected performance against the financial guidance provided in July 2020 and individual objectives</li></ul>
Process / Governance	<ul style="list-style-type: none"><li>Reviewed an updated peer group of comparable companies</li><li>Continued engagement of Total Compensation Solutions (TCS) as the Compensation Committee's independent compensation consultant</li></ul>

### Key Compensation Governance Attributes

We believe that a sound executive compensation program is grounded in certain practices which we have followed:

<b>What We Do</b>	<b>What We Don't Do</b>
<ul style="list-style-type: none"><li>Consult an independent compensation consultant</li><li>Evaluate the risk profile of our pay program</li><li>Conduct an annual pay review</li></ul>	<ul style="list-style-type: none"><li>No excise tax gross-up provisions</li><li>No guaranteed salary increases or bonuses</li><li>No pension plans or other post-employment benefit plans, other than 401(k) retirement savings plan for eligible U.S. employees</li><li>No change of control agreements</li><li>No hedging or pledging of Company stock</li><li>No history of option repricing or option backdating</li></ul>

### 2020 Non-Binding Advisory "Say-on-Pay" Vote

We conducted our first non-binding, advisory say-on-pay vote at the 2020 Annual Meeting. A majority of our stockholders did not vote for this proposal. The Compensation Committee reviewed the results of the say-on-pay vote and understands that some stockholders may have believed that support for this proposal was not warranted due in part to the size of the option grants and such grants being fully vested on the grant date. Stockholders should note, however, that the grants strongly align with stockholders' interests because the August 2019 and February 2020 option grants were issued at a strike price 20% above the then current price of our stock and with a short 5 and 6 year life, respectively, so that strong stockholder returns would be required for the award recipients to gain any benefit from the awards. The Compensation Committee used this structure to create a deeper link between pay and performance than

options issued at the current stock price where performance is not measured and any increase in share price would benefit the award grantee. The Committee also considered it important that last year's grants addressed the fact that the Company had not granted Mr. Troendle any equity based awards since the modest grant at the Company's initial public offering in August 2016. Lastly, the amounts of the equity grants to Mr. Troendle and other NEOs with respect to services they rendered to the Company in 2019 were informed by the Compensation Committee's intention to address multi-year gaps in pay relative to peers. The Committee will continue to seek to understand the views of stockholders as it is committed to ensuring that stockholder interests are considered through providing stockholders non-binding "Say-on-Pay" votes.

### ***Determining Executive Compensation***

#### *Executive Compensation Philosophy and Objectives*

Our overarching compensation philosophy is to pay for performance. To accomplish this we:

- provide competitive compensation opportunities towards our goals of attracting, motivating, and retaining talented executives; and
- structure our program so that the ultimate amount of compensation earned by our NEOs through base salary, paid bonuses and the intrinsic value of equity grants reflects overall Company and individual performance.

We also believe firmly that our executives should be aligned with our stockholders, and therefore provide meaningful compensation in the form of long-term equity incentives that tie our executives directly to the performance of our stock.

Our executive compensation program has a high degree of performance orientation. It is the current objective of the Compensation Committee to have NEO compensation (including each component thereof) increase towards approximately the 25% quartile level of the peer group recommended by our compensation consultant. Cash compensation including merit increases and bonuses, and equity awards are determined in the context of Company goal performance and individual performance, and as such actual competitive positioning may vary by individual or on a year-to-year basis. Additionally, while our overall philosophy applies generally to all NEOs, we recognize at times the need to differentiate on an individual basis to reflect additional considerations such as tenure, experience, past and expected contribution, and criticality to the Company.

#### *Our Decision-Making Process*

We adhere to a set of guiding principles as we make pay determinations each year:

Maintain a pay-for-performance culture	Annual pay opportunities emphasize variable performance-based compensation, which ensures a high degree of performance orientation in our executive compensation program
Foster long-term alignment with stockholders	Equity awards directly tie pay outcomes to value creation
Preserve a low risk profile	Our compensation program is grounded in key practices
Reflect internal equity considerations	Compensation decisions are made in the context of individual factors

*Role of the Compensation Committee.* The Compensation Committee of our Board is responsible for establishing and overseeing the executive compensation program, which includes, but is not limited to, setting executive pay opportunities, assessing Company and individual performance and determining and approving final pay outcomes for our NEOs on an annual basis. As part of this process it evaluates:

- Each NEO's role and responsibilities, and performance in his or her role;

- Each NEO's compensation history (including his or her total equity compensation profile);
- Key historical Company performance metrics and forward-looking projections; and
- Compensation practices of the companies in our peer group and broader market data, where appropriate.

The Compensation Committee is also responsible for making grants of equity awards under the Medpace Holdings, Inc. 2016 Incentive Award Plan (the "2016 Incentive Plan"). Other responsibilities include, but are not limited to, reviewing and approving the CEO employment agreement; designing the annual bonus program; reviewing whether compensation programs encourage excessive risk-taking; and reviewing non-employee director compensation.

The Compensation Committee meets regularly throughout the year to monitor our progress. The formal written Compensation Committee charter is available on our website.

*Role of our CEO.* Our Chief Executive Officer informs our Compensation Committee on the individual performance and contributions of each of the other NEOs, and annually makes recommendations to the Compensation Committee regarding base salary, non-equity incentive compensation and equity awards. Specifically, the CEO provides the Compensation Committee with personal objectives and compensation recommendations for all NEOs other than himself. The Compensation Committee reviews such recommendations and can approve the recommendations or submit recommended modifications to the Board for its consideration.

*Role of our Independent Compensation Consultant.* Pursuant to its charter, the Compensation Committee has the sole discretion to retain or obtain advice from compensation consultants. During the 2020 fiscal year, the Compensation Committee continued its engagement of Total Compensation Solutions ("TCS") as a compensation consultant to assist in its evaluation of executive compensation. TCS conducted various market studies and advised the Compensation Committee on general executive compensation matters to assist the Compensation Committee in fulfilling its duties.

TCS reports directly to the Compensation Committee, participates in meetings, communicates with the Compensation Committee Chair between meetings as necessary and works with management at the direction of the Compensation Committee.

The Compensation Committee reviewed TCS's independence and concluded that it is an independent and conflict-free advisor to the Company pursuant to the standards of the Dodd-Frank Wall Street Reform and Consumer Protection Act and applicable rules of NASDAQ.

-

Use of Peer Group and Market Data

In October 2020, the Compensation Committee reviewed a peer group consisting of fifteen companies that would be used as a reference to determine 2020 pay opportunity levels for the NEOs. TCS selected the peer group to consist of companies that compete with us for both capital and talent. The table below presents the peer group companies:

ACADIA Pharmaceuticals	Intercept Pharmaceuticals
Agios Pharmaceuticals	Ligand Pharmaceuticals
Alkermes	Mallinckrodt
Amarin	PRA Health Sciences, Inc.
Blueprint Medicines Corporation	Repligen
Endo International	Syneos Health, Inc.
FibroGen, Inc.	United Therapeutics
Horizon Pharma	

This peer group served as the primary market reference point and was supplemented with other market data and local peer data, where appropriate. For 2020, with the assistance of TCS, the Compensation Committee compared our performance, size and complexity of operations to those of the companies identified in the peer group set forth above. The Compensation Committee also compared the peer group's current executive compensation and compensation mix (percent of base salary, short-term, and long-term incentive) to our current practices. TCS provided recommendations for adjustments based on current practices and policies within the peer group and trends within the industry.

Principal Elements of Executive Compensation

Our executive compensation program consists of a mix of fixed and variable pay elements, with the latter tied to both short- and long-term Company success. Performance-based pay elements are linked to goals that we believe will deliver both year-to-year and long-term increases in stockholder value. The elements of total direct executive compensation include:

<b>Element</b>	<b>Form</b>	<b>Description</b>
Base Salary	Cash	Fixed amount to attract and retain top talent
Annual Cash Bonus	Cash	At-risk variable incentive compensation used to reward strong Company and individual performance against important annual goals
Long-Term Incentive Awards	Equity	Variable incentive compensation that promotes performance, supports retention, and creates stockholder alignment

Fiscal 2020 Compensation Program in DetailBase Salaries

We attempt to set base salaries that are competitive in the marketplace and reflect each individual's duties, responsibilities, experience and performance. Base salaries are reviewed annually and may be adjusted periodically to take into account inflation, market movement, promotions, increased responsibility and performance. We do not provide for automatic salary increases.

## EXECUTIVE COMPENSATION

Our general philosophy is to work towards the market 25th percentile for base salary, with divergence as needed to reflect individual circumstances. The Compensation Committee established the following base salaries for the NEOs:

Executive	Annual Base Salary at December 31, 2019	Annual Base Salary at December 31, 2020	Percent Increase
August J. Troendle	\$520,250	\$625,000	20.1%
Jesse J. Geiger	\$410,650	\$450,000	9.6%
Susan E. Burwig	\$421,100	\$475,000	12.8%
Stephen P. Ewald	\$302,350	\$400,000	32.3%

Effective March 1, 2021, as part of our annual base salary review and merit and performance increase process, the Compensation Committee increased Mr. Troendle's base salary rate from \$625,000 to \$711,000, reflecting a 13.8% increase. Mr. Troendle's current base salary positioning relative to his peers reflects his level of experience and proven track record as President and Chief Executive Officer. Effective March 1, 2021, the Compensation Committee also increased base salary rates for the NEOs as follows: Mr. Geiger's base salary increased from \$450,000 to \$470,000, reflecting a 4.4% increase; Ms. Burwig's base salary increased from \$475,000 to \$484,000, reflecting a 1.9% increase; and Mr. Ewald's base salary increased from \$400,000 to \$443,000, reflecting a 10.8% increase. The Compensation Committee believes all of these salary increases were necessary to work towards the market 25th percentile for the compensation of the NEOs.

Increases provided to the NEOs were consistent with our approach and philosophy, and the factors outlined above.

### *Annual Bonus (Non-Equity Incentive Compensation)*

The Compensation Committee believes that short-term incentive compensation should include material performance incentives.

The general philosophy of the Compensation Committee is to work towards providing target bonus opportunities (expressed as a percentage of base salary) that are competitive with the market 25th percentile to increase the performance orientation of our cash compensation program. We do not provide for guaranteed bonus payouts. NEOs are generally entitled to receive bonus payouts in cash. Bonus payouts are paid in arrears.

In lieu of implementing a bonus plan tied exclusively to numerical performance metrics and calculations based on straight-line interpolations, the Compensation Committee exercised meaningful judgment and discretion regarding the design and administration of the short-term incentive compensation for the NEOs. The Compensation Committee estimated target cash bonuses for 2020 at 40% of base salary for all NEOs other than the CEO and 70% of base salary for the CEO. The Compensation Committee viewed 60% of the cash bonus as being based on the Company's financial performance generally against guidance given in July 2020. Specifically, meeting the financial guidance targets the Company provided in July 2020 or slightly exceeding them would merit 60% of a target cash bonus for the NEO; 40% of the target bonus was discretionary based on how that NEO performed against his/her individual objectives. The personal objectives and discretionary bonus recommendations to the Compensation Committee for all NEOs other than the CEO were provided by the CEO, and the Compensation Committee determined the amount of the discretionary component of the CEO's cash bonus. Under this plan, depending upon the Company's financial performance and his/her attaining individual objectives, each NEO other than the CEO could earn a maximum cash bonus equal to 70% of base salary or as little as zero, and the CEO could earn a maximum cash bonus equal to 100% of base salary or as little as zero.

The Company exceeded its financial guidance provided in July 2020 with respect to revenue, GAAP net income and diluted earnings per share (GAAP) and met the guidance with respect to EBITDA. The Company's 2020 guidance and financial results are described under "2020 Business and Financial Highlights" in the Executive Summary of this Compensation Discussion & Analysis on page 23.

Mr. Troendle earned 80% of his base salary as a cash bonus. Mr. Geiger, Ms. Burwig and Mr. Ewald each earned 50% of his or her base salary as a cash bonus. This resulted in cash bonus payments as follows: Mr. Troendle \$500,000; Mr. Geiger \$225,000; Ms. Burwig \$237,500; and Mr. Ewald \$200,000.

#### Long-Term Equity Incentive Compensation

The Compensation Committee believes that long-term incentive compensation should include material performance incentives.

The Compensation Committee grants equity awards to our NEOs under the 2016 Incentive Plan which was approved by stockholders on June 23, 2016. Our 2016 Incentive Plan affords the Compensation Committee flexibility to determine the specific award types and parameters that it believes are in the best long-term interests of the Company. We believe that long-term incentive awards provide the strongest alignment with stockholder interests and as such have a general philosophy of working towards the market 25th percentile for ongoing equity awards. Further, we believe that properly structured awards are a valuable motivating incentive and strong retention tool.

The Compensation Committee has the discretion to accelerate equity awards upon a change in control of the Company.

We do not provide for automatic awarding of equity awards. Grants are typically made by the Compensation Committee to NEOs on an annual basis after considering factors such as Company and individual performance, current equity ownership by individual, our total equity usage and dilution, and our available share pool. From time-to-time, the Compensation Committee may make equity awards to our NEOs outside of our annual grant cadence when the Compensation Committee believes it is in the best interests of the Company, reflects Company performance and further aligns the interests of our NEOs with those of our stockholders. As of the date of this proxy, the Compensation Committee has not made any equity awards to our NEOs for 2020 performance.

#### Stock Ownership Guidelines

The Compensation Committee approved beneficial stock ownership guidelines equal to one times base cash compensation for all NEOs and directors. For those NEOs and directors who currently do not beneficially own any or sufficient stock to meet that requirement, open market purchases are not required. Rather, as restricted stock awards / restricted stock units vest, 60% of the vested stock must be retained until the ownership requirement is met, and as options are exercised, 60% of the spread must be retained in the form of stock until the ownership target is met.

#### Retirement Plans

We currently maintain a 401(k) retirement savings plan for our U.S. employees, including our NEOs, who satisfy certain eligibility requirements. Our NEOs are eligible to participate in the 401(k) plan on the same terms as other full-time U.S. employees. The U.S. Internal Revenue Code of 1986, as amended, or the Code, allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) plan. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage of the employee contributions, beginning in the calendar year following the first anniversary of employment. Matching contributions cliff-vest on the employee's third anniversary with the Company. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan and making matching contributions that vest at a defined time add to the overall desirability of our executive compensation package and further incentivize our

employees, including our NEOs, in accordance with our compensation policies. We do not currently maintain any defined benefit pension plans or deferred compensation plans.

Employee Benefits and Perquisites

All of our full-time U.S. employees, including our NEOs, are eligible to participate in our health and welfare plans, including:

- medical, dental and vision benefits;
- short-term and long-term disability insurance;
- life insurance benefits;
- critical illness insurance benefits; and
- accident insurance benefits.

We believe the benefits and perquisites described above are necessary and appropriate to provide a competitive compensation package to our NEOs.

Aircraft Usage

During the 2020 fiscal year, the Company provided some travel services for company executives through a private aviation charter company that is owned by Mr. Troendle and Ms. Burwig ("private aviation charter"). The Company may contract directly with the private aviation charter for the use of its aircraft or indirectly through a third party aircraft management and jet charter company. The travel services provided are primarily for business purposes, with certain personal travel paid for as part of the executives' compensation arrangements, and allow our executive officers to safely and efficiently travel. Company provided aircraft allows for the safety and privacy of our executive officers and allows the executive officers to be more productive than if commercial flights were utilized, as the aircraft provides a conducive and more confidential business environment without the scheduling constraints imposed by commercial airline services.

Depending on availability, family members of executive officers are permitted to accompany the executive officers on the aircraft when it is already going to a specific destination for a business purpose. Because the aircraft is chartered based on flight hours regardless of the passenger load, the aggregate incremental cost to the Company for any additional personal use by passengers is de minimis.

In addition, executive officers periodically use Company provided aircraft for multi-leg hybrid flights in which at least one leg consists of personal use. The aggregate incremental cost to the Company of such personal usage in 2020 is shown in the Summary Compensation Table below. Any personal passenger(s) on board would result in imputed income to the executive officers using the IRS Standard Industry Fare Level calculation. The Company does not provide gross-ups with respect to any income taxes incurred by the executive officers in connection with the personal use of aircraft.

No Tax Gross-Ups

We do not make gross-up payments to cover our NEOs' personal income taxes that may pertain to any of the compensation or perquisites paid or provided by our Company.

No Pledging or Hedging Medpace Securities

The Medpace Holdings, Inc. Insider Trading Compliance Policy prohibits margin purchases of Medpace securities. Pledging the Company's securities as collateral to secure loans is prohibited by this policy. This prohibition means, among other things, that Medpace employees cannot hold the Company's securities in a "margin account" (which would allow them to borrow against their holdings to buy

securities). The policy also prohibits all hedging transactions involving Medpace's securities, including, without limitation, zero-cost collars and forward sale contracts.

### ***Tax and Accounting Considerations***

The Compensation Committee considers tax and accounting implications in its executive compensation determinations, although in some cases, other important considerations may outweigh tax or accounting considerations, and the Compensation Committee maintains the flexibility to compensate its officers in accordance with the Company's compensation philosophy.

Under Section 162(m) of the Internal Revenue Code (the "Code"), the Company will generally not be entitled to a tax deduction for individual compensation over \$1 million that is paid to certain executive officers. As in effect prior to its recent amendment by the Tax Cuts and Jobs Act of 2017, Section 162(m) provided an exception to the deductibility limitations for performance-based compensation that met certain requirements. As Section 162(m) has been amended, effective for taxable years beginning after December 31, 2017, the "performance-based" compensation exception was eliminated from Section 162(m), except for certain grandfathered arrangements under the transition rules. In light of this amendment, the Committee will continue to consider the potential impact of the application of Section 162(m) on compensation for its executive officers and reserves the right to provide compensation to executive officers that may not be tax-deductible, as well as the right to modify compensation that was initially intended to qualify as "performance-based" compensation if it believes that taking any such action is in the best interests of the Company and its stockholders.

### ***Definition of Non-GAAP Financial Measure***

With respect to the references in this CD&A to EBITDA, this is a non-GAAP financial measure used to supplement our financial statements, which are based on GAAP.

"EBITDA" is calculated as net income attributable to Medpace Holdings, Inc. before income tax expense, interest expense, net, depreciation, and amortization.

Reconciliations of our non-GAAP measures to comparable GAAP measures are provided with the schedules to each of our quarterly earnings releases. The most recent non-GAAP reconciliations and definitions were furnished as an exhibit to our Form 8-K filed on February 16, 2021 (in the schedules to our most recent earnings release for the three and twelve months ended December 31, 2020).

### ***Compensation Risk Assessment***

Our management and the Compensation Committee review our compensation practices and policies with regard to risk management. We have reviewed our programs and determined that there are no practices or policies that are likely to lead to excessive risk-taking or have a material adverse effect on the Company. Further, we identified the following practices that serve to mitigate risk:

- High level of executive equity ownership to prevent short-term risk taking;
- Balance between goals and objectives of short- and long-term incentive compensation plans;
- Proper administrative and oversight controls; and
- Key compensation governance attributes, as discussed above.

As described in note (3) below, they each also received stock options as part of their bonuses. All restricted stock awards and restricted stock unit awards granted to any NEOs have been valued based on the market price of the Company's common stock on the date of grant as quoted on the NASDAQ Global Select Market.
- (3) For 2019, the Compensation Committee determined that the CEO and CFO would receive their bonuses in the form of equity awards in lieu of cash; Mr. Troendle received 11,936 stock options and Mr. Geiger received 5,384 stock options as part of their bonuses. As described in note (2) above, Mr. Troendle also received restricted stock awards and Mr. Geiger also received restricted stock unit awards as part of their bonuses. All stock option awards granted to any NEOs have been valued based on the fair value of the option awards using the Black-Scholes-Merton option pricing model. We provide information regarding the assumptions used to calculate the value of all option awards made to executive officers in 2020 in our Annual Report on Form 10-K for 2020 under the section captioned "Stock Based Compensation" in Management's Discussion and Analysis and Note 9 to our financial statements.
- (4) The amount shown in this column in 2020 for Mr. Geiger and Mr. Ewald consists exclusively of fully vested 401(k) matching contributions paid to his account by the Company. The amounts shown in this column in 2020 for Mr. Troendle and Ms. Burwig consist of fully vested 401(k) matching contributions of \$11,400 each paid to their respective accounts by the Company and incremental costs of \$13,173 and \$35,329, respectively, attributable to personal usage of Company provided aircraft paid for by the Company on their behalf. For multi-leg hybrid flights in which at least one leg consists of personal use, the incremental cost of personal use is calculated based on the difference between the actual cost of the personal and business legs of the flight

and the hypothetical cost that would have been incurred if only the business legs of the flight occurred, using costs provided by the chartered jet service provider. Pursuant to Company policy, for personal use of Company provided aircraft in which both Mr. Troendle and Ms. Burwig are present, incremental cost is allocated to Mr. Troendle for purposes of the Summary Compensation Table unless the incremental cost specifically relates to Ms. Burwig.

### NEO Employment Agreement

Since 2011, Mr. Troendle was party to an employment agreement with the Company, which was amended and restated on July 25, 2016 in connection with our initial public offering. The current agreement has a three-year term that began on July 25, 2016 and has been followed by successive one-year terms, subject to non-extension by either the Company or Mr. Troendle at any time upon 90 days' advance written notice.

Mr. Troendle's employment agreement provides for Mr. Troendle's position as our Chief Executive Officer. Under the agreement, Mr. Troendle's annual base salary as of December 31, 2020 was \$625,000. The Compensation Committee has subsequently increased Mr. Troendle's salary as described above. The agreement also provides that Mr. Troendle will be eligible to receive an annual cash bonus, provided that he remains employed by us at the time of the applicable bonus payment date, based upon achievement of performance objectives and individual goals established by our Board. The agreement also provides for Mr. Troendle's participation in all employee benefit plans and programs made available

by the Company to our executives and the reimbursement of all reasonable business expenses incurred by Mr. Troendle.

Mr. Troendle's employment agreement does not provide for any severance benefits upon termination other than the payment of accrued and unpaid base salary, any reimbursement due for incurred business expenses and any benefits due under our 401(k) plan in accordance with the terms of that plan. Upon termination, the treatment of any stock-based awards will be governed by the terms of the applicable plan and grant agreement.

The employment agreement also provides that the Company will nominate Mr. Troendle for re-election to the Board during the term.

None of our other executive officers is party to an employment agreement.

### **Equity Incentive Awards**

Our NEOs have historically been eligible to receive long-term equity-based incentive awards under our 2016 Incentive Award Plan. While we believe that long-term equity awards are an important element of the "mix" of compensation paid to our NEOs, we do not maintain any formal grant-making policy. Instead, the Compensation Committee periodically reviews the total level and mix of compensation paid to each of our NEOs in order to determine the appropriate timing and amounts of long-term equity awards so as to continue to promote the alignment of our executive officers' interests with those of our stockholders. Awards granted during the 2020 fiscal year are described above in the table captioned, "Grants of Plan-Based Awards."

The treatment of our NEOs' equity awards upon a termination of employment (as applicable) or a Change in Control is described below in the section entitled "Potential Payments Upon Termination or Change in Control."

**Outstanding Equity Awards at Fiscal Year-End**

The following table provides information concerning outstanding equity awards for each of our NEOs as of December 31, 2020. As of December 31, 2020, the fair market value of a share of our common stock was \$139.20.

(2) The amounts in this column represent the aggregate dollar value realized upon exercise of options.

(3) This column represents the number of shares of stock that have vested.

(4) The amounts in this column represent the aggregate dollar value realized upon vesting of stock.

(5) The amounts reported for Mr. Troendle do not include the 34,625 options exercised by Medpace Investors, LLC ("MPI") during the 2020 fiscal year that had a value realized on exercise totaling \$2,559,766. Mr. Troendle is the sole manager and controlling unit holder of MPI and has sole voting and investment control with respect to the securities held by MPI. Mr. Troendle disclaims beneficial ownership of such securities except to the extent of his pecuniary interest therein.

**Pension Benefits**

We did not maintain any plan for our NEOs providing for payments or other benefits at, following, or in connection with retirement, during the fiscal year ended December 31, 2020.

**Nonqualified Deferred Compensation**

We did not maintain any deferred compensation plans for our NEOs for the fiscal year ended December 31, 2020.

**Potential Payments Upon Termination or Change in Control**

None of our NEOs has change in control agreements and we do not have a change in control policy. The 2016 Incentive Plan provides the Compensation Committee with discretion to accelerate the vesting of equity awards upon an employee's death, disability, termination of service or the consummation of a change in control, subject to the terms and conditions of the 2016 Incentive Plan.

The payments to which our NEOs would be entitled in the event of these termination of employment events, or as a result of a change in control, assuming the Compensation Committee exercised its discretion under the 2016 Incentive Plan to accelerate the vesting of all equity awards, are set forth in the table below, assuming the event occurred on December 31, 2020 and assuming that the maximum

amount of unvested shares will vest. For this purpose, we have assumed a value of \$139.20 per share of our common stock, which was the closing price of the Company's common stock on December 31, 2020.

Name	Value of Equity Upon Acceleration or Change in Control (\$)
August J. Troendle	\$1,801,387
Jesse J. Geiger	\$4,713,224
Susan E. Burwig	\$4,908,244
Stephen P. Ewald	\$1,822,396

### Pay Ratio Disclosure

Pursuant to Item 402(u) of Regulation S-K promulgated by the SEC and Section 953(b) of the Dodd—Frank Wall Street Reform and Consumer Protection Act, presented below is the ratio of annual total compensation of our CEO to the annual total compensation of our median employee (excluding our CEO).

The 2020 annual total compensation as determined under Item 402 of Regulation S-K for our CEO was \$1,132,115, as reported in the Summary Compensation Table of this Proxy Statement. The 2020 annual total compensation as determined under Item 402 of Regulation S-K for our median employee (excluding our CEO) was \$66,349. The ratio of our CEO's annual total compensation to our median employee's total compensation for fiscal year 2020 is 17 to 1. To identify, and to determine the annual total compensation of, the median employee, we used the methodology set forth below.

Our diverse employee population includes employees located in the United States, Europe, Canada, Africa, Latin America and Asia Pacific, none of whom are currently covered by a collective bargaining agreement specific to our Company. The diverse employee population varies in areas such as experience, education and specialized training. For purposes of this pay ratio analysis, we selected the median employee based on the approximately 3,607 individuals who were employed by the Company and our consolidated subsidiaries (whether as full-time, part-time, temporary or seasonal workers) as of December 31, 2020. For full-time and part-time employees that were hired in 2020 but did not work the full year, we annualized their compensation, but did not make any full-time equivalent adjustments. As permitted by SEC rules, the Company is permitted to exclude up to 5% of its total employees who are non-US employees. The Company excluded the following number of employees in the following locations: India (24 employees), Mexico (15 employees) and Russia (38 employees).

In identifying our median employee, we gathered the annual base salary from internal payroll records of each such employee as of December 31, 2020, and made certain direct cash adjustments, using such measure as our consistently applied compensation measure. The direct cash adjustments consist of all compensation elements, aside from annual base salary, appearing in payroll records for each individual, including bonuses, retirement benefits and other cash components. We converted the annual base salary and direct cash adjustments for non-U.S. employees to U.S. dollars using applicable foreign exchange rates as of December 31, 2020 and did not make any cost-of-living adjustments for non-U.S. employees.

The ratio presented above is a reasonable estimate calculated in a manner consistent with Item 402(u) based on our payroll and employment records and the methodology described herein. The SEC's rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices. As a result, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies have different employee populations and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

## PROPOSAL 3

### Advisory Vote on the Compensation of our Named Executive Officers

---

In accordance with Section 14A of the Exchange Act, we are asking that our stockholders approve, on an advisory basis, the compensation of the executive officers named in the Summary Compensation Table of this proxy statement. This proposal gives our stockholders the opportunity to express their views on the compensation of our named executive officers. Stockholders also may, if they wish, abstain from casting a vote on this proposal.

In connection with this proposal, the Board of Directors encourages stockholders to review in detail the description of the compensation program for our named executive officers that is set forth in the Compensation Discussion and Analysis beginning on page 23, as well as the information contained in the compensation related tables and narrative discussion in this proxy statement.

As described in more detail in the Compensation Discussion and Analysis beginning on page 23, our overarching compensation philosophy is to pay for performance. This has been accomplished in a number of ways, including by structuring our program so that a significant portion of the ultimate amount of compensation earned by our named executive officers is earned through bonuses and an increase in the intrinsic value of equity grants. Further, our compensation program is designed to align the compensation of our named executive officers with the interests of our stockholders, and therefore provide material compensation in the form of long-term equity incentives that tie our named executive officers' compensation directly to the performance of our stock.

Although the advisory vote is non-binding, the Board of Directors values stockholders' opinions. The Compensation Committee will review the results of the vote and consistent with our record of stockholder responsiveness, the Compensation Committee will consider stockholders' views and take into account the outcome of the vote when considering future decisions concerning our executive compensation program.

We are asking our stockholders to indicate their support for the compensation of our named executive officers as disclosed in this proxy statement by voting "FOR" the following resolution:

"RESOLVED, that the stockholders of Medpace Holdings, Inc. approve, on an advisory basis, the compensation paid to Medpace Holdings, Inc.'s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and the narrative discussion in Medpace Holdings, Inc.'s 2021 Proxy Statement."

#### VOTE REQUIRED

The proposal to approve, on an advisory basis, the compensation of our named executive officers requires an affirmative vote of a majority of the votes cast at the Annual Meeting by the holders of shares present virtually or represented by proxy and entitled to vote on the proposal.

The Board of Directors unanimously recommends a vote **FOR** the approval, on an advisory basis, of the compensation of our Named Executive Officers.

## DIRECTOR COMPENSATION

We adopted a Non-Employee Director Compensation Policy that became effective after the effectiveness of the Company's initial public offering. This policy was revised as of October 25, 2018. Pursuant to this policy, each eligible non-employee director receives an annual retainer with a value of \$40,000 for service on the Board. Each Compensation Committee member receives an additional annual retainer with a value of \$7,500. Each Audit Committee member, other than the Audit Committee chairperson, receives an additional annual retainer with a value of \$7,500 and the Audit Committee chairperson receives an additional annual retainer with a value of \$20,000. Any director elected or appointed mid-year will receive a pro-rated portion of the annual retainer adjusted to reflect his or her period of service, unless we determine otherwise. Each annual retainer is paid quarterly in arrears. The Board may, in its discretion, permit a non-employee director to elect to receive any portion of the annual retainer in the form of fully vested and unrestricted shares of Common Stock in lieu of cash.

Also, pursuant to the Non-Employee Director Compensation Policy, on the date of any annual meeting of our stockholders, we intend to grant each non-employee director an award of an option to purchase the numbers of shares of Common Stock (at a per-share exercise price equal to the closing price per share of the Common Stock on the date of such annual meeting (or on the last preceding trading day if the date of the annual meeting is not a trading day)) that has a grant date fair value of \$90,000. The terms of each such award will be set forth in a written award agreement between each director and us.

All cash and equity awards granted under the Non-Employee Director Compensation Policy will be granted under, and subject to the limits of, the Plan.

Our directors who are employed by us or our subsidiaries do not receive any compensation except as limited to expense reimbursement.

## Security Ownership of Certain Beneficial Owners and Management

### COMMON STOCK

The following table sets forth certain information with respect to holdings of our Common Stock by (i) stockholders who beneficially owned more than 5% of the outstanding shares of our Common Stock, and (ii) each of our directors (which includes all nominees), each of our named executive officers and all directors and executive officers as a group as of March 18, 2021, unless otherwise indicated. The number of shares beneficially owned by each stockholder is determined under rules issued by the SEC. Under these rules, beneficial ownership includes any shares as to which a person or an entity has sole or shared voting power or investment power. Applicable percentage ownership is based on 36,001,980 shares of Common Stock outstanding and entitled to vote as of March 18, 2021. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options, warrants or other rights held by such person that are currently exercisable or will become exercisable within 60 days of March 18, 2021 are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person.

Unless otherwise indicated, the address of each beneficial owner listed below is 5375 Medpace Way, Cincinnati, Ohio 45227. We believe, based on information provided to us, that each of the stockholders listed below has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

## Certain Relationships

### POLICIES AND PROCEDURES FOR RELATED PERSON TRANSACTIONS

Our Board has adopted a written Related Person Transaction Policy and Procedures, setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we (including any of our subsidiaries) are, were or will be a participant, where the amount involved exceeds \$120,000 in any fiscal year and a related person has, had or will have a direct or indirect material interest, which may include, without limitation, purchases of goods or services by or from the related party or entities in which the related party has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related party.

Under the policy, management is required to present to the Audit Committee each proposed related party transaction. In reviewing and approving any such transactions, our Audit Committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction and the extent of the related person's interest in the transaction. If advance Audit Committee approval of a related party transaction is not feasible, then the transaction may be preliminarily entered into by management upon prior approval by the Chairperson of the Audit Committee, subject to ratification of the transaction by the Audit Committee at the Audit Committee's next regularly scheduled meeting. Any related party transaction must be approved or ratified by the Audit Committee in order to be consummated or continue, as applicable. Management is responsible for updating the Committee as to any material changes to any approved or ratified related party transaction and for providing a status report at least annually of all current related party transactions at a regularly scheduled meeting of the Audit Committee. No director may participate in approval of a related party transaction for which he or she is a related party.

In this section the term "Advanced billings" represents cash received from customers, or billed amounts per an agreed upon payment schedule, in advance of services being performed or revenue being recognized.

In this section the term "Accounts receivable and unbilled, net" means:

Accounts receivable represent amounts due from the Company's customers who are concentrated primarily in the pharmaceutical, biotechnology, and medical device industries. Unbilled services represent revenue recognized to date that is currently not billable to the customer pursuant to contractual terms. In general, amounts become billable upon the achievement of negotiated contractual events or in accordance with predetermined payment schedules. Amounts classified to unbilled services are those billable to customers within one year from the respective balance sheet date.

The Company grants credit terms to its customers prior to signing a service contract and monitors the creditworthiness of its customers on an ongoing basis. The Company maintains an allowance for doubtful accounts based on specific identification of accounts receivable that are at risk of not being collected. Uncollectible accounts receivable are written off only after all reasonable collection efforts have been exhausted. Moreover, in some cases the Company requires advance payment from its customers for a portion of the study contract price upon the signing of a service contract. These advance payments are deferred and recognized as revenue as services are performed.

The following are certain transactions, arrangements and relationships with our directors, executive officers and stockholders owning 5% or more of our outstanding Common Stock.
